International Trader & Wholesale Distributor of Agri-Food Commodities

«KRUPASNAB» LLC is one of the leading companies in the food-products market, a distributor with years of experience in the import, export, and distribution of consumer goods. Founded in the Republic of Uzbekistan, the company actively develops its operations in both domestic and global markets, taking part in international trade and expanding its horizons of cooperation with partners worldwide.

Thanks to a team of highly qualified professionals and effective management, we continuously refine our supply network, covering every region of the country and earning the trust of numerous clients.

Annually, our supply volumes exceed 50,000 tons of products, while modern infrastructure ensures their reliable storage and prompt transportation. A wide range of consumer goods enables us to be a stable and dependable partner for both sellers and buyers, holding a leading position in the market.

We take pride in a unique client portfolio that includes leading producers of cereals, grains, oils, compound feed, and sugar, while continuously expanding our cooperation with new partners. «KRUPASNAB» LLC is always open to new opportunities for collaboration and dialogue, striving for continuous growth and the refinement of its services.
